LIMITED WARRANTY

Küryakyn warrants that any Küryakyn products sold hereunder, shall be free of defects in materials and workmanship for a period of one (1) year from the date of purchase by the consumer excepting the following provisions:

- Küryakyn shall have no obligation in the event the customer is unable to provide a receipt showing the date the customer purchased the product(s).
- The product must be properly installed, maintained and operated under normal conditions.
- Küryakyn makes no warranty, expressed or implied, with respect to any gold plated products.
- Küryakyn shall not be liable for any consequential and incidental damages, including labor and paint, resulting from failure of a Küryakyn product, failure to deliver, delay in delivery, delivery in nonconforming condition, or for any breech of contract or duty between Küryakyn and a customer.
- Küryakyn products are often intended for use in specific applications. Küryakyn makes no warranty if a Küryakyn product is used in applications other than intended.
- Küryakyn electrical products are warranted for one (1) year from the date of purchase by the consumer. Components of Küryakyn products containing L.E.D.s will be warranted for defects in materials and workmanship for 3 years from the date of purchase.
- Küryakyn makes no warranty of any kind in regard to other manufacturer's products distributed by Küryakyn. Küryakyn will pass on all warranties made by the manufacturer and where possible, will expedite the claim on behalf of the customer, but ultimately, responsibility for disposition of the warranty claim lies with the manufacturer.

STEP 2 Remove the rear bolt (either side) on the passenger grab handle and set it aside. You will no longer need it for this application.

STEP 3 Insert the offset mount in to the hole and rotate it to the best orientation for function as well as clearance.

CAUTION! The adjustability of the Drink Holder was not intended to prevent spills.

STEP 4 Secure the offset mount after applying anti seaize to the threads with the provided M8 x 1.25 x 120mm Socket Head Cap Screw.

STEP 5 Take the included wave washer and place it over the drink holder stud. Insert the stud through the offset mount. Place the 1/4" split lock washer over the stud, apply anti seize to the threads and secure it with the provided thumbnut.

STEP 6 Check the drink holder for proper clearance and function, when satisfied, secure all hardware.

ATTENTION! It is the installers responsibility to ensure that all of the fasteners (including pre-assembled) are tightened before operation of the motorcycle. Kuryakyn will not warranty components lost due to improper installation. Periodic maintenance may be required.

CAUTION! Do not overload the Drink Holder with excessive weight.

CAUTION! Kuryakyn is not responsible for items that may be stolen or damaged in relation to the use of this product.

Ride On!
