

Two-Step Sizing Guide for Chilly Dog Vest

Step 2: Select a Set of Cooling Packs

Choosing the best set of cooling packs is based upon the dog's weight – more specifically, experts recommend that at most most dogs should only carry 10-15% of their body weight.

- **Lightweight Set:** Includes two 3-cell packs
 - Suitable for Dogs > 20 lbs
 - Pack set weight is 2.1 lbs
- **Mediumweight Set:** Includes two 2-cell & two 3-cell packs
 - Suitable for Dogs > 35 lbs
 - Pack set weight is 3.1 lbs
- **Heavyweight Set:** Include four 3-cell packs
 - Suitable for Dogs > 50 lbs
 - Pack set weight is 3.4 lbs
